Dear Mr. Hartley,

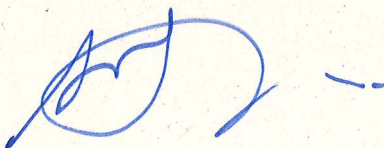

On behalf of everyone at Oasis Academy Coulsdon, I would like to extend our sincere thanks for welcoming our students to the Hartley Estate yesterday for what was a truly memorable and inspiring visit.

Your generosity in allowing us to view your remarkable collection of supercars left a lasting impression on the students. For many, it was a once-in-a-lifetime opportunity to get up close to such iconic vehicles, and it has sparked a great deal of excitement and enthusiasm among the group.

More than that, your candid and insightful Q&A session provided a valuable glimpse into the world of entrepreneurship, ambition, and determination. Hearing your personal story and the journey behind your success gave our students a sense of what is possible with hard work, resilience, and vision. Your advice resonated deeply, and we are confident it will stay with them as they pursue their own goals. We also enjoyed the opportunity to dine with you at the end of the session, your generosity hasn't gone unnoticed.

Thank you once again for your time, hospitality, and for investing in the next generation. We hope to stay in touch and would welcome the opportunity to collaborate again in the future.

With warmest regards,
